Bank of Sydney | BOS*broker*

Help Your Business Clients Keep Cash Flowing with Trade Finance

What is Trade Finance?

Trade Finance is a short-term working capital facility that bridges the cash flow gap by funding payments to domestic or international suppliers while businesses wait to receive payment from their customers.

Benefits for our Broker Partners

No additional accreditation required

You're already accredited to introduce Trade Finance solutions to help support your eligible business customers.

Expand your service offering

Support more business clients with Trade Finance solutions designed for domestic and international trade.

Strengthen client relationships

Help your clients manage cash flow, support business growth, and achieve their business objectives.

Dedicated specialist support

Access to a dedicated local trade finance relationship manager, ensuring your support through the entire transaction.

Trade Finance Can Help Your Business Clients To:

- Pay local or overseas suppliers for inventory or raw material
- Improve cash flow due to long production, shipping, or payment cycles
- Manage supplier payment terms and reduce trade risks
- Help manage risks associated with importing goods from overseas

How Trade Finance Works

Industries We Support

- Wholesalers
- Distributors
- Manufacturers
- Retailers
- Importers & exporters
- Businesses involved in cross-border supply chains
